#### Could you become a citizen? Take the U.S. Citizenship Test

**Overview:** To become a non-paying, passport-holding citizen of the United States, prospective Americans must demonstrate their ability to speak and write English, as well as their knowledge of basic American history, geography, and the rights and responsibilities that come with citizenship. During an oral exam, applicants are asked 10 choice questions, selected from a list of 100, and must answer six correctly to pass. How well would you do?

Here are 10 questions randomly chosen (and edited) from the actual list. Good luck! This "quiz" will not be collected or graded, it is just a preview of some facts we will be learning during our choice unit.
